INAUGURATED AT THE OPENING OF THE SEASON,

STILL CONTINUES!

AND WILL UNTIL THE CLOSE.

Our immense trade in September and October (while other merchants are complaining), is proof that OUR PRICES and GOODS ARE ALWAYS RIGHT, and the trade appreciates the fact that we save them 25 per cent by selling them GRAND RAPIDS MADE CLOTHING. Also that the price is always alike to every customer. No goods marked up so as to reduce the price. No fakes resorted to to deceive the public. But our counters are always loaded with the BEST CLOTHING IN THE CITY, OUR OWN MAKE, and at prices that we will guarantee as cheap as any so-called reduced sale, sacrifice sale, or bankrupt sale goods by our competitors.

In our CHILDREN'S DEPARTMENT we have the choicest styles, both in SUITS and OVERCOATS of the entire stock of N. J. SCHLOSS & CO., the gold medal winners of the Paris Exposition.

Do not buy a single garment in Men's Boys' or Children's Goods until you see our stock.
